Lacy is coming to Lima for 4 months

Hello from Peru,
 First I would like to thank you for your prayers and your generosity in supporting me financially. I really appreciate it and I thank God for you. This summer I didn't go to visit my parents but God gave an even more amazing time with the body here, especially with the girls (u can see the pictures). His plan is perfect. God gave us an amazing team here in Peru and we can see that He began something great here that will spread through all S America. We are excited. Bible College is a big part of it. Please continue to pray for the teachers and students. We are also praying for a Christian day school.

The body of Christ in Lima

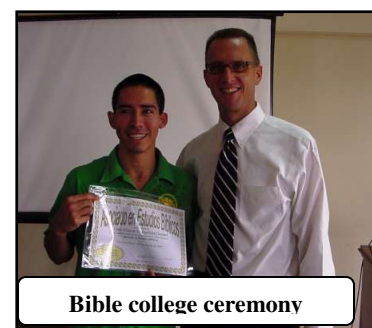

Prayer testimony

God is been teaching me a lot about prayer lately and showed me the power of it. Lately I've been visiting this one sister in Christ whose husband doesn't want to draw near to God by going to a church. Every time he started to go to a church, a lot of problems would come upon him. We purposed in our hearts to pray for a month that he would come to Jesus. A week later I visited her and asked her: "Are you still praying? because I am". She said: "Not really, you know, 3 days after you left my husband started to have many problems and he even left the house with some luggage". My heart was jumping with joy, realizing that Jesus was working, but unfortunately she wasn't seeing that, she was looking at the "snake bite". He returned home but he is still resisting the Holy Spirit. I will keep praying for him because I know that his energy will end. God is awesome.

He is still preaching the grace and the finished work. ☺

In May we ended the 4th semester (6 courses each) in Bible College. We had a ceremony where approximately 40 people received diplomas for completing from 10 to 40 credits. The vision for souls grows in the heart of each one with each semester of receiving finished work doctrine from godly people: P. Stan, P. Lajos, P. Jon Stambo, P. Justin, P. Schaller and P. Stevens. We are living great times and are happy to fight in God's army for precious souls.

Bible college ceremony

The youth group is awesome, especially the girls! ☺. I thank God for the possibility of renting this apartment together with Rachel and Adrienne. We get to invite the girls, we share from the Word, we cook, we have fun together; sometimes they sleep over. It's also great to see them involved in everything. Someone said: "You have several activities, but it's always the same people!" She was talking about them. Praise God, it means they got it!
