Ashaiman

Dear Brethren,

We have recently seen a lot of young people come to our church and be delivered from fornication, drug addition and many problems confronting the youth today. About 40% of the congregations are all youth and I am ever so grateful to God for the great work He is doing in the life of these young men and women. We just had a youth conference – the young people went soul winning on the streets of Ashaiman and took one night to visit almost all the members of the church, going from house to house. It was a great week; amazing to see young people involved in preaching and church life.

Thanks so much for your prayers. May God bless you all, and we in Greater Grace of Ashaiman deeply love you all!

In Pastor Schaller's words, "Let us cover each other always fervently in our prayers."

Paster John & Mary Jason
