

Greater Grace Church of Bangkok

Summer 2008

God is Faithful to Raise up Men!

God has faithfully led us in His way! We have watched Him work in the lives of our Bible school students. All of them have completed their projects and exams for the summer semester, which started at the beginning of April and continued through May.

God is raising up men to preach the truth with no compromise in a land filled with idolatry.

From March until June, many Thai men attended our Wednesday morning devotionals and went on evangelism to Minburi. We rejoice in God's faithfulness in working in these men. In this land of false smiles and idol worship, Christ shines like a beacon in the night! Many are planning to take Bible school classes this fall, starting in August. Please pray for Jirat, Tom, Tee, Kunlapat, Tar, Eak, Arm, Thoung, Whai, Wom, Lekh, Ben, Boonchu, Gift and Siripong.

Many of us watched the International Conference in Baltimore this past June at the most unusual hours of the night and morning. We are very privileged to be under such godly leaders, and we look to Pastor Schaller, Pastor Scibelli and others at home base for their care.

God is bringing two foreign women to our Bible school for the fall semester - Elisabeth from Malmo, Sweden and Pramila from Hong Kong. Pramila is married to Staffan who is teaching the book of Acts in the Bible school. Elisabeth has arrived and is a great blessing. She loves God, the Bible, the Body of Christ and having fun. She has a gift of joy which we love. Thanks to Pastors Risto, Mikeal, and Peter Szabo for encouraging her.

Because you care, we are here,

Pastor Michael and Marjukka Walsh
