

## *Christmas - Celebrating the Hope of the Eternal*

*Luke 1:45-47*

*This time of the year is alive with Jesus Christ and the Hope of the Eternal. Mary's amazing response to the initiation of the Eternal was grace - Luke 1:28 highly favored, humility - "be it unto me according to Your Word" - Luke 1:38, and total belief in God's ability to perform His Word - Luke 1:45; her soul magnified the Lord - Luke 1:46, and her spirit rejoiced in God, her Savior - Luke 1:47.*

*Christ is formed in us as His Children - Galatians 4:19. Every continent, country, region, city, town, village, and every person alive has an opportunity to receive Grace, the Word, His faith and have a soul magnified with a rejoicing spirit. This is our message in this season and continually through the year. Thank you, for you receive the Word of Grace in faith as a vessel used by God in this world.*

*Pray for GQWD throughout the world, as we bring the Gospel at this time with great fruit anticipated for all.*
