Where the fields are white ...

We are thankful for all of our brethren, for your prayers, letters, support, and for the work of God amongst you.
1Corinthians 1:4 'We give thanks for you at all times...'

ADDES School

We are thankful for the work of the Lord in the ADDES primary and high school. We are the official 'religion teachers.' We enjoy full liberty to develop our own curriculum and to teach one hundred students. Our desire is to lift up Christ that we would draw these precious students unto Himself.

Glory to God! By His grace our church was able to present a Bible to each student. It was a blessing to see them open their new Bibles. Let's pray that they stay open. We believe that these students will be future church members, Bible college students, and missionaries.

News from Argentina

Pastor Stan and Pastor Drew gave an encouraging report of their trip to Argentina and Chile. Bible College classes start in the Rosario and Capitan de Bermudes areas. Please keep that precious work of God in prayer. Pray for Gustavo as well, who is getting ready to move to Lima to attend Bible College classes. Pastor Stan also started a weekly Bible study through Skype – we also 'participate from our living room' in Lima.

Outreaches

The Lord is blessing our outreaches greatly. We have several visitors weekly in our services.

San Marcos University

The Lord opened a great door of opportunity to minister to the 25, 000 students of this school. Pray that the Lord would bless our endeavors on campus. We found that people need Christ, and show great interest toward the life that only He can give.

'Preach the Word in season and out of season'
