Buna Ziua!!! Ce Faci?

Who would have thought I would be living in Brasov, Romania for 81 days? None but Jesus. On September 25, SYLVIA, Samantha, Maggie (an 8 year old girl!!) and I boarded the plane, somewhat knowing what we were getting into, but then again, not. God is our covering! Maggie was here for two weeks with her mom. She and Didi, a girl in the school and church here are now like sisters. What a great experience! My Dad was here for a week or so and left on Friday the 3rd.

School

The School here, GGIA, is amazing! It is so amazing and such a great adventure and experience to be in an international school with kids from almost 14 different countries – Israel, Holland, Sweden, England, Korea, USA, Romania, Poland... and more! My classroom... There are 4 other students in the classroom with us American girls: a girl and boy from South Korea, a girl from Idaho, and a girl from England. Lauren from England is unsaved – what a ministry we have to her! We also help out in the younger classrooms, have gym once a week, and us Americans have Romanian three times a week. The younger kids are too cute for words! I love them all.

Church

There is not even enough words to describe it... What a privilege it is to be in this worldwide ministry! The body is awesome, amazing, loving, spiritual! I love to travel and see the different locations where our churches are, because we all believe the same things. It's so easy for me to adjust, because the Body of Christ is the same as at home. This place is amazing! What an adventure and experience. This body is full of young people. Too many names to mention them all, but here are a few people you can pray for: Adela, Roxi, Alexandra, Ioanna, Livia, Heather, Shirley, Elena, Florentin, Cristy, Bogdan, Mircea, P.Mihael, and Mari and the baby Timotei... And, by the way, the American guys, Kim, Micah, and Corey are doing great.

Sight-seeing? Outreach!

It is beautiful here! If you are ever thinking of a place to go, consider Brasov, Romania. The mountains and sights are spectacular, but of course that is not the most important part of these trips – sharing the Word to the World is. Tonight we go with Florentin from the Church to go up on a mountain and see the whole city. I will be definitely taking pictures!

Outreach is great. We go out every Saturday at 5:00 pm. We do sketchboard and go in little teams and talk to people. Two weeks in a row, people we have talked to came to the church after to talk more. It's so much fun. I love to see the different reactions of people and the things they say.

The thought...

The verse or verses on my mind lately have been... Psalm 30:5, James 1:2-4, Isaiah 6:8, Romans 9:17. I love Romans 9:17, He raised us up to show His power through us and that His name might be proclaimed in all the earth. That's what we are doing, living for HIM, showing his power and His name throughout the world. Anything we do, we do for His glory! I have been studying the book of Romans every night. Roxi, who lives in the same house with us, is an amazing woman of God; what a minister, soulwinner.

Until next time, November...

Dumnezeu va iubeste – God bless you.

Te iubesc! – I love you!

I love you all! Miss you!! I will have many pictures and stories when I come home!
Love/Dragoste! Its the CROSS!

Prayerfully yours in Christ/Hristos,
