

GUAYAQUIL, ECUADOR April, 2009

Did you ever feel overwhelmed by God? You have great expectations from The Lord but when God does something He really goes WAY beyond your expectations. I do, very often; I did this month, too...Yet His grace still amazes me.

Olimpia Dragu

In March we had our Ecuadorian conference "The Power of Godliness" with guests from Carlisle, USA, and Lima, Peru. Pastor Ray from Carlisle

was our guest speaker; every message was powerfully anointed.

After four days in Guayaquil we traveled to Banos, a beautiful place in the mountains. Plenty of fresh air, beautiful sights, hot baths, four wheeler rides, hikes, fellowship; what blessed me the most was the specific Word of God personally.

The people at the hostel in Banos received us like we were family. They joined us for the services and so did some ladies that we met in a little

shop in the neighborhood. Pastor Mike decided to take a trip to Banos last week, because those people were really interested in having a church there. Please keep us in prayer with that. Our conference finished in Quito, the capital, where we have a wonderful church.

This month we started a new ministry in the Drogue Rehabilitation Clinic. We have been ministering there for men and now we started ministering to women, too. I was absolutely amazed at those women and girls; how open and interested they were in the Word of God.

What a Mighty God we serve! And what a privilege to be part of this! Thank you for all your prayer and support.

In Christ's love, Olimpia
