

**Merry Christmas and a Happy New Year
from team Peru**

Justin Schaller
Coming soon to Peru
...5 of January

Hello again from Lima, Peru. As you can see in the pictures, God has been blessing us a lot. The team is growing, God is adding people to the youth group, the students at the school are happy with their new Bibles and the Christmas play has been a blessing for the actors and the spectators.

Thursday nights the youth group meets for evangelism and Bible study. These times together have been amazing because we see God touching, healing and exhorting us so that we could grow in Him. One night at Starbucks, Jon led Jesús, an 18 year old worker, to Jesus Christ. He not only gave us free coffee, but now he comes to church, youth meetings and Bible College. Please pray for him

Francisco came to visit us for the month of December. He was born in Peru but grew up in the States and now he has a vision to come back to Peru and start a Christian school. In spite of the fact that he just met us, he jumped right in and participated in all of the activities of the church. Also he has been teaching me about web sites so I can keep www.mgperu.org up to date.

ADDES SCHOOL...
Last Friday we had our last reunion for this school year. We did the Christmas play for the students, parents and teachers and at the end Pastor Lajos gave the message of salvation. I believe God touched many souls - I saw one lady with teary eyes talking with Mysheel.

We got out of the prison because we were "tattooed".

The Christmas play was also presented to the international crew of this very interesting prison that looked more like a market. We got to speak with many people of different nationalities. We are praying for more opportunities to minister there.

Thank you so much for your prayers and support. I am truly blessed to part of God's work here in Peru. Grace to you and peace from God our Father and the Lord Jesus Christ. Ephesians 1:2
