

# Pastor Lajos & Mysheel in Lima, Peru

This December 2009, We Have Much to Rejoice About

We were much blessed by Krista Wilezcek's visit, as she brought great news from Hungary. Thank you all for the Turo Rudis, Tibi Csokis, Milkas and other expressions of your love that you sent with her.

Another semester went by and it seems it did even more quickly. Our outreaches have been blessed, people are added to our churches, the Word of God has been rich and the brotherly love is fervent.

### Please pray for:

- Our trip to Ecuador
- Planning of next Bible college semester with a new schedule and 8 classes

*from you the Word of the Lord has sounded forth'*

1 Thessalonians 1.8
