

The Conference starts on Thursday, May 14 and finishes Sunday night, May 17. Monday, May 18th is a free day with Pastor Schaller in Santiago, Chile.

We hope that you can be with us for this time together in Chile. The primary conference site is at the church in Rancagua. But, we will also have one afternoon and evening in Santiago with the GGWO church in the capital city. That meeting will take place in the very same home where The Bible Speaks ministry began in Chile in 1985.

It's exciting to see new beginnings as Pastor Christian invests his vision for GGWO's part in seeking the lost and making disciples in the land of Chile!
