" We give thanks to God always for you all, making mention of you in our prayers; Remembering without ceasing your work of faith, and labour of love, and patience of hope in our Lord Jesus Christ, in the sight of God and our Father;" 1 Thes. 1:2-3

Dear Brethren in Christ,

Greetings from Greater Grace Church of Ashaiman, Ghana. We give thanks to God always for all of you, making mention of you in all our prayers, constantly bearing in our mind your work of faith and labor of love and steadfastness of hope in our Lord Jesus Christ in the presence of God the father. (1 Thes. 1:2,3).

We learned from the story of Jeremiah 32:6-44 that faith in God's word is an investment in the divine promises of God. Let me give you one of the remarkable illustration of faith in the scriptures. Is that of Prophet Jeremiah when he was told to purchase "the Field of Anathoth" in Jeremiah 32/6-44. At first sight it seems to be the wildest real estate speculation on record. Jeremiah himself has just prophesied that the children of Israel were to be carried away into captivity to Babylon for 70 years. Why should he purchase "the field of Anathoth", for he would not live to claim it, and probably none of his relatives would. But to show his faith in the "DIVINE PROMISES OF GOD" that at the end of 70 years the children of Israel would return and claim their possessions, he tells us that he paid the money for the field, and took the evidence of the purchase, or deeds, and put them in an earthen vessel. We learn from this transaction that faith in God, in doing something is an investment in the divine promises of God the Father.

As Christians we should learn how to invest in the work of the Almighty God as to our present salvation. Please kindly join the brethren who are investing in the building of the only Training Center for West Africa, for all the Greater World Outreach Churches in Ghana and for that matter, the whole West Africa and all the Christian churches in the western region of the continent of Africa. Please join the FAITH WAGON, so that people can be trained in the Finished Work message of Jesus Christ and the GRACE message of our Savior Jesus Christ. Faith is thinking something is true to the extent that we act on it. To God be the glory for great things He has done through you, that positively affects the lives of so many people.

We believe and trust the Lord will open many new doors of opportunity this year beyond what we could even ask, think or imagine. (Eph. 3:20).

May the hands of Jesus Christ draw you close, hold you near to His heart and embrace you forever in Jesus' name. Amen and Amen !!

Yours In His Vineyard, **Pastor John and Mary Jason**
